

New Hope

A DAY OF SHARING

New Hope Gracious Personal Care offers a gentle introduction to our community by providing ***A Day of Sharing***. The foundation of the day experience is to provide seniors an opportunity to experience ‘*a day in the life*’ at New Hope. ***A Day of Sharing*** also grants caregivers and family members a well-deserved reprieve to handle personal business or just relax with peace of mind knowing their relative is cared for and enjoying the amenities of New Hope Gracious Personal Care.

A Day of Sharing provides several benefits:

- Acquire a true sense of the essences offered in a personal care atmosphere
- Experience our welcoming embrace as you are received by our friendly and caring staff, along with enjoying our other gracious amenities
- Offers a day alternative to enhance a senior’s self-esteem
- Encourages socialization and engagement
- Provides needed care along with some health-related necessities
- Enjoyment of life enrichment activities and meals

A Day of Sharing additional benefits and services may include:

- Exercise
- Health screening
- Delicious meals and snacks
- Medical care
- Recreation
- Medication management
- Supervision
- Socialization
- Respite care
